Permission for ACH Withdrawal for Contributions

This form is designed to allow you to set up regular payments to UPC through electronic transfer directly from your account to the church. Once set up, this system will automatically withdraw the amounts you indicate from your account each month. The most appropriate use for this process is for your regular, on-going gifts. One-time gifts and special gifts are still best offered through your bank's bill-payer or by personal check mailed to the church or placed in the offering plate on Sunday.

Please note that changes or cancellation for this process can easily be accomplished by contacting Tanya Turner in the church office prior to the 15th and/or 30th of any month (contact information below).
